Re: Letter of Recommendation

Tim:

For over a year we have enjoyed a relationship with MEDI. When we originally contacted MEDI about going paperless, we knew what a large undertaking it would be being an insurance company receiving hundreds of claims a day. The knowledgeable and helpful staff of MEDI has helped make the transition to paperless smooth.

Tim, as our sales person, you guided us in purchasing the right hardware to fit our needs. The technical department is very responsive and has been so helpful in getting us trained and up and running.

I feel very confident in offering a letter of recommendation for MEDI. Please feel free to forward my contact information on to anyone that is considering using Docstar and MEDI.

Thanks again for all of your help.
