Dear Tim:

I am happy to report that the use of DocSTAR system has dramatically reduced record storage and has enabled staff to locate files in the click of a mouse. The set-up and training provided by MEDI has proved to be excellent, which allowed for a smooth transition. I feel confident in recommending MEDI and the DocSTAR system to anyone who deals with record storage and security concerns.

Sincerely,

  
D. Wade Yost  
Town Manager
